FULL TIME STUDIES AT ESSA

Thank you for your inquiry. We have enclosed a bundle of documents, which we hope will answer most of your questions about studying at ESSA. Together with this letter you should have received:

1. An application form for full time studies;
2. Four reference forms;
3. A financial guarantee form;
4. A medical certificate (to be completed by your doctor);
5. A breakdown of our current fee structure.

Once we have received all of your completed forms, your application will be considered by the Admissions Sub-committee of our Academic Board. If your application is incomplete, it will not be processed by the Board, so please make sure that you include the following with your application:

1. Completed application form
2. Registration fee deposit slip (see attached fee structure for amount)
3. Financial guarantee form
4. Four completed references
5. Completed medical certificate
6. Certified copies of all educational certificates

Please note that accommodation on campus is limited and is awarded on a first-come-first-served basis to students who have submitted complete applications which have been accepted by the Academic Board.

International students must please ensure that they have been granted a study visa before arriving in South Africa.

You are most welcome to contact us if you have any questions at all. Please make sure that you supply a fax number and email address with your application form – this will ensure that any questions we have can be sorted out quickly without delaying the admission process.

We look forward to hearing from you soon and wish you all the best as you make your preparations for next year.

We are an evangelical academic community, in partnership with the Church, preparing men and women for ministry and mission in Africa and beyond.
